Inclusion Spotlight

Our mandate in schools is to provide a safe, caring, and welcoming learning environment for all students, staff and the MM community. We would like to promote inclusion through love, kindness and understanding. Inclusion means that we choose to be kind, and that we try to understand the feelings of others. It means that we encourage and support others, and that we are open to learning about others' differences. Whether we realize it or not, members of our school community still face prejudice and inequality, discrimination and injustice. At MM we RAWR: we choose respect and responsibility, and we can choose to be inclusive.

This Inclusion Spotlight is a collaborative effort by parents, staff and students of MM to be more inclusive and to develop empathy. We plan to share tools, tips, and books that will encourage reflection and conversation, and provide support for all of us to create a safe, caring, welcoming, and inclusive community at our school

This Saturday is International Women's Day. We'd like to share this great book about 23 iconic women "Sheroes" who changed our world. We hope that you find one that inspires our young people! Enjoy this week's read aloud "A is for Awesome" by Eva Chen and illustrated by Derek Desierto.

Cell Phones:

We would like to remind families that student cell phones or Smart watches are not to be used on the school property during the school day from beginning at 8:40 when supervision starts. This includes recess & lunch. When students bring these devices to school, they are expected to have them turned off and in their backpack / locker. Should your student need to contact you during the day, or you them, the school phone system is available. Please have this conversation with your student. Your cooperation and partnership are greatly appreciated.

Absence Reporting:

To report an absence, we prefer you use our online absence reporting form and fill it out with as much detail as possible. You can find it on the Muriel Martin Website or go directly to it using the following link

<https://murielmartin.spschools.org/parents/absence-reporting>

Late/Leaving Early

If your student is late please bring them to the office to be signed in. If you need to pick up your student during the day, please notify the office before you come. This way we can have your student ready and waiting. When you arrive at the school come into the office to sign them out. Please note, students are not allowed to walk home alone during school hours.

Parking:

Between 8 AM and 4 PM, please do not use the staff parking lot to drop off or pick up your student. There is plenty of parking in the neighborhood and around the school where you can park and walk your student to their designated door. The other option is to use our drop off / bus lane in front of the school. Please note, you should not be parking in the drop off / bus lane. This area is meant for students to quickly exit or enter your vehicle. Busses get priority in this lane, if you see them coming please make room for them as quickly as possible.

Accessible Parking: We have two designated accessible parking areas, one in the staff parking lot, and one in the drop off / bus lane. Only families who have handicap parking permits are allowed to use these areas.
