MM School Office Notices:

Returning Students - Registration for 2025-26 school year is online through powerschool, log into your parent portal. You Must use a web browser as registration forms are not accessible through the powerschool APP. Once logged in, click on the tab of the student you will completing the form for, then on the left hand column, select the "Returning Student Registration Form".

If your student is not returning to Muriel Martin, please let the office know as this is helpful for planning for the 2025-26 school year.

Waste free Lunches

The office will no longer be providing plastic cups or cutlery for students to use. Please make sure your student has packed a water bottle and the necessary utensils for their lunch.

Welcome to another year of MMTV! You can catch our weekly news on Mondays by subscribing to our [Muriel Martin TV Youtube](#) channel. Our news is hosted by our talented grade 6 students and produced by Mr. Grice.

Cell Phones:

We would like to remind families that student cell phones or Smart watches are not to be used on the school property during the school day from beginning at 8:40 when supervision starts. This includes recess & lunch. When students bring these devices to school, they are expected to have them turned off and in their backpack / locker. Should your student need to contact you during the day, or you them, the school phone system is available. Please have this conversation with your student. Your cooperation and partnership are greatly appreciated.

Absence Reporting:

To report an absence, we prefer you use our online absence reporting form and fill it out with as much detail as possible. You can find it on the Muriel Martin Website or go directly to it using the following link
<https://murielmartin.spschools.org/parents/absence-reporting>

MM Musical Moments

April 17 - Year End Jr Choir & Glee Club Concert - Students need to arrive at the school by 6:30pm, concert is from 7-8pm

Save the date!!

May 15th for the Muriel Martin Dino-Mite Showcase.

The MM music website will always have the most up to date information for our music programming here at MM.

Inclusion Spotlight

Our mandate in schools is to provide a safe, caring, and welcoming learning environment for all students, staff and the MM community. We would like to promote inclusion through love, kindness and understanding. Inclusion means that we choose to be kind, and that we try to understand the feelings of others. It means that we encourage and support others, and that we are open to learning about others' differences. Whether we realize it or not, members of our school community still face prejudice and inequality, discrimination and injustice. At MM we RAWR: we choose respect and responsibility, and we can choose to be inclusive.

This Inclusion Spotlight is a collaborative effort by parents, staff and students of MM to be more inclusive and to develop empathy. We plan to share tools, tips, and books that will encourage reflection and conversation, and provide support for all of us to create a safe, caring, welcoming, and inclusive community at our school

This week as we continue to focus on neurodiversity, we would like to share a story about Attention Deficit (ADHD). The story is called "My Race Car Brain", it is written and read aloud by Nell Harris in this video. We hope that reading this story will help us better understand each other, and especially some of our Dinos who have 'race car brains'.

Click on the book below to hear the story.

Late/Leaving Early

If your student is late please bring them to the office to be signed in. If you need to pick up your student during the day, please notify the office before you come. This way we can have your student ready and waiting. When you arrive at the school come into the office to sign them out. Please note, students are not allowed to walk home alone during school hours.

Parking:

Between 8 AM and 4 PM, please do not use the staff parking lot to drop off or pick up your student. There is plenty of parking in the neighborhood and around the school where you can park and walk your student to their designated door. The other option is to use our drop off / bus lane in front of the school. Please note, you should not be parking in the drop off / bus lane. This area is meant for students to quickly exit or enter your vehicle.

Busses get priority
in this lane, if you see them coming please make room for them as quickly as possible.

Accessible Parking: We have two designated accessible parking areas, one in the staff parking lot, and one in the drop off / bus lane. Only families who have handicap parking permits are allowed to use these areas.

Congratulations!

Congratulations to our Running Room Games Participants, our girls team won 1st Place overall, and our boys team won 3rd place overall. The banners will be hung up in the gym for all to see.

Muriel Martin
