Waste free Lunches

The office will no longer be providing plastic cups or cutlery for students to use. Please make sure your student has packed a water bottle and the necessary utensils for their lunch.

Welcome to another year of MMTV! You can catch our weekly news on Mondays by subscribing to our [Muriel Martin TV Youtube](#) channel. Our news is hosted by our talented grade 6 students and produced by Mr. Grice.

Absence Reporting:

To report an absence, we prefer you use our online absence reporting form and fill it out with as much detail as possible. You can find it on the Muriel Martin Website or go directly to it using the following link

You can also email mm@spschools.org or call the office 780-458-0205

Late/Leaving Early

If your student is late please bring them to the office to be signed in. If you need to pick up your student during the day, please notify the office before you come. This way we can have your student ready and waiting. When you arrive at the school come into the office to sign them out. Please note, students are not allowed to walk home alone during school hours.

Cell phones:

We would like to remind families that student cell phones or Smart watches are not to be used on the school property during the school day from beginning at 8:40 when supervision starts. This includes recess & lunch. When students bring these devices to school, they are expected to have them turned off and in their backpack / locker. Should your student need to contact you during the day, or you them, the school phone system is available. Please have this conversation with your student. Your cooperation and partnership are greatly appreciated.

BIRTHDAY CELEBRATIONS:

To help ensure the safety and well-being of all students, our school follows a strict allergy policy should you choose to send treats for your student's birthday. All treats must be store bought, nut free, individually wrapped, and include a complete ingredient list on the packaging. In addition to avoiding nuts, we ask that families remain aware of any additional allergies specific to their student's classroom to ensure all students are included safely.

OUTSIDE FOOD:

It is our preference that families not use food delivery services (e.g., Skip the Dishes, Uber Eats) for student lunches. Should your student forget their lunch, we will endeavor to get a hold of you, or provide them with food. The MM Fundraising Society offers a hot lunch program that follows our allergy and safety guidelines. If families choose to bring their own hot lunch for their child, they must ensure that it complies with the allergy policies. Thank you for helping us maintain a safe and inclusive environment for all students.

BIKE SAFETY:

We would like to remind our school community to dismount and walk bikes, scooters, and skateboards on school property both before and after school. Thank you for your cooperation to ensure safety for all.

Parking:

Between 8 AM and 4 PM, please do not use the staff parking lot to drop off or pick up your student. There is plenty of parking in the neighborhood and around the school where you can park and walk your student to their designated door. The other option is to use our drop off / bus lane in front of the school. Please note, you should not be parking in the drop off / bus lane. This area is meant for students to quickly exit or enter your vehicle.

Busses get priority
in this lane, if you see them coming please make room for them as quickly as possible.

Accessible Parking: We have two designated accessible parking areas, one in the staff parking lot, and one in the drop off / bus lane. Only families who have handicap parking permits are allowed to use these areas.
